

REMARKS

This is in response to the Notice to File Corrected Application Papers dated May 6, 2004. In the Notice, it was indicated that the subject drawings were objected to as failing to comply with 37 CFR 1.84 because FIGS. 4-6 are too dark and are not electronically reproducible. Enclosed is a copy of the "Notice to File Corrected Application Papers."

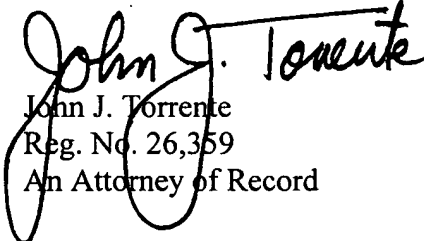

In order to overcome this objection, applicant has enclosed herewith replacement sheets showing FIGS. 4-6. In the replacement sheets, shading has been removed from FIGS. 4-6. The substitute drawings contain no new matter. Also enclosed are annotated drawing sheets showing changes.

No fee is required based upon the filing of this Response within two months from the date of the Notice to File Corrected Application Papers. Please charge any fees for entry of this Response to our Deposit Account 18-1644.
